THANK YOU TO OUR 2023 SPONSORS

THE ACLU FOUNDATION OF RHODE ISLAND

**is dedicated to upholding and protecting the rights
and freedoms guaranteed by the United States
Constitution and the Bill of Rights.**

Through lobbying, litigation and public education, the ACLU of RI works so that LGBTQ people can live openly without discrimination and enjoy equal rights, personal autonomy, and freedom of expression and association.

The ACLU of RI is part of the American Civil Liberties Union, a federated organization of roughly 1,500,000 members and more than fifty affiliates and chapters nationwide.

The ACLU of RI performs its work in three major ways: litigation, legislation and public education. The cases that they take, the bills they lobby on, and their varied public education efforts are designed to help preserve and protect the civil liberties of all Rhode Islanders against government infringement.

The ACLU of RI is particularly proud of its successful lawsuit in 1976 that overturned the City of Providence's attempt to ban the state's first gay pride parade.

THE GALA PVD

Tickets to the second annual Gala PVD sold out in just one weekend and it's clear why; the event has quickly become *the* social event of the season bringing together some of Rhode Island's most influential and dynamic community members to support nonprofit organizations that are dedicated to strengthening the LGBTQ+ community. Last year, we raised over \$100,000 for Open Door Health, Rhode Island's only community health clinic dedicated to supporting the LGBTQ+ community.
